Request for Proposal (RFP) for Procurement of Comprehensive Anti-Money & Trade Based Money Laundering Solution for Hongkong & Singapore Centres (Retendering) {E-tendering} RFP Ref No: UCO/DIT/2405/2022-23 Date: 27/12/2022
Pre-Bid Responses/ Clarifications to Queries raised by the Bidder(s) uploaded on 17.02.2023

Sl. No	Page No	Clause No	Clause as per RFP	Description of Query/ Clarification sought by Bidder	Bank Response
1	43	Part IV	Scope of Work	With respect to Worldwide IPR clause mentioned, we wanted clarification on how the hardware and implementation of any new entity, if added will be incorporated.	Clause stands as per RFP
2	285	Annexure XXI	Commercial Bid	Kindly confirm the commercial format mentioned in the RFP only specifies for the above 2 entities i.e. Singapore & Hong Kong. We request the bank to explain the process to define commercials for any new entity which may come in future or during the contract period	Kindly refer corrigendum enclosed herewith
3	292 & 293	Annexure XVII & XVIII	Functional & Technical requirements	kindly share the editable files for Functional & Technical requirements i.e. Annexures XVII & XVIII and Bill of Material given in the RFP.	It is clarified that the same needs to be downloaded from the e-tender portal.

4	8	Control Sheet	Bid Extension	Since the scope of the RFP has hardware & other software requirement like Treasury etc. So, in order to prepare an optimized proposal with best possible estimation as per your RFP requirement and to make our best competitive offer, we would require more time. We request the bank to extend the submission date by 10 working days post response to this query letter.	Please refer to bid extension notice
5	12	Sl. No 4	Eligibility Criteria	Since the bank has asked for a TBML solution also, would request the Bank to specifically identify the Bank types listed under the RBI scheduled, whose reference will be acceptable to the Bank.	Kindly refer corrigendum enclosed herewith
6			General Query	Request the Bank to provide growth projections for Asset size.	Kindly refer corrigendum enclosed herewith
7	8	Control Sheet	Bid Extension	Request you to give us additional at least 3 weeks' time (i.e. up to 14th March 2023) from the current bid submission i.e. 21st Feb 2023.	Please refer to bid extension notice

8	41	Final Evaluation	<p>If for some reason, the successful bidder fails to execute an agreement within a specified timeline, the Bank reserves the right to award the contract to the next most eligible bidder based on the final evaluation scope of technical evaluation scores and commercial prices quoted during reverse auction. In case of a tie of Total Score between two or more bidders, the Bid with higher technical score would be chosen as the successful Bidder.</p>	<p>We would like to know whether Bank will follow Reverse Auction process to decide on the commercials or opt for L1 pricing.</p>	<p>Kindly refer corrigendum enclosed herewith</p>

			<ul style="list-style-type: none"> In-case of corporate restructuring the earlier entity's incorporation certificate, financial statements, net-worth, Credentials, other certificates etc. may be considered.
3		Subject to payment of fees for the escrow set up and annual updates by the Bank and verification by an independent consultant, the Bank and the OEM/bidder shall agree to appoint an escrow agent to provide escrow services for the deposit of the source code for the Treasury software product licensed/procured by the OEM/bidder to the Bank in order to protect its interests in an eventual situation that may arise. The Bank and the OEM shall enter into a tri-partite escrow agreement with the designated escrow agent, which will set out, inter alia, the events of the release of the source code for the software and the obligations of the escrow agent. As a part of the escrow arrangement, the company is also expected to provide a detailed code documentation of the Treasury solution which has been duly reviewed by an external independent organization / consultant of the Bank.	Subject to payment of fees for the escrow set up and annual updates by the Bank and verification by an independent consultant, the Bank and the OEM/bidder shall agree to appoint an escrow agent to provide escrow services for the deposit of the source code for the the proposed comprehensive & integrated AML & TBML software product licensed/procured by the OEM/bidder to the Bank in order to protect its interests in an eventual situation that may arise. The Bank and the OEM shall enter into a tri-partite escrow agreement with the designated escrow agent, which will set out, inter alia, the events of the release of the source code for the software and the obligations of the escrow agent. As a part of the escrow arrangement, the company is also expected to provide a detailed code documentation of the proposed comprehensive & integrated AML & TBML solution which has been duly reviewed by an external independent organization / consultant of the Bank.
4	Annexure – XVI, Page – 213, Srl -5	Documents required: In case OEM Experience is shown then Annexure XXXIII needs to be provided duly signed by the OEM which needs to be dully signed and stamped by Both i.e., OEM of treasury solution and the authorized signatory of the Bidder.	Documents required: In case OEM Experience is shown then Annexure XXXI needs to be provided duly signed by the OEM which needs to be dully signed and stamped by Both i.e., OEM of proposed comprehensive & integrated AML & TBML solution and the authorized signatory of the Bidder.
5	Annexure – XVI, Page – 216, Srl - 15	The Proposed OEM of treasury solution should have Positive Net Worth during the past 3 financial years i.e., 2019-20, 2020-21, 2021-22.	The Proposed OEM of comprehensive & integrated AML & TBML solution should have Positive Net Worth during the past 3 financial years i.e., 2019-20, 2020-21, 2021-22.
6	Annexure – XVI, Page –	The Proposed OEM of treasury solution Should have a minimum annual turnover of Rs. 100 Crore in each of	The Proposed OEM of comprehensive & integrated AML & TBML solution Should have a minimum annual turnover of Rs. 100 Crore in

	216, Srl - 16	the last three financial years i.e., 2019-20, 2020-21, 2021-22.	each of the last three financial years i.e., 2019-20, 2020-21, 2021-22.
7	General	Newly added criteria under Part – IV, Clause – 69, Software Licenses, Page - 65	6a. During filling up the commercial Bill of Material, bidder should mandatorily mention whether the proposed comprehensive & integrated AML & TBML solution Licenses or other software licenses or watchlist licenses, is asset based or user based or mixed of both or customer based or if anything else mention specifically.
8	General	Newly added criteria under Part – IV, Clause – 69, Software Licenses, Page - 65	6b. Bidder needs to factor the cost of all the proposed items (as mentioned in 6a) into the all-respective sheets of Commercial BOM in a segregated year wise manner according to the licensing parameter (as mentioned in 6a) and as per the projections provided in the RFP. Bank should have the provision to subscribe the licenses as and when required by the Bank subsequent to first year based on the projection of the RFP.
9	General	Newly added criteria under Part – IV, Clause – 69, Software Licenses, Page - 65	6c. According to the licensing parameter of the proposed comprehensive & integrated AML & TBML solution licenses, other software licenses and watchlist licenses, bidder should tell the minimum number of licenses to be procured at initial stage and subsequent procurement of minimum number of licenses after onwards along with the respective cost. Because initially Bank may require lesser number of licenses during the initial phase and the same may be required on the enhanced part later on. Therefore, Bank will decide the same later on during issuance of Work Order to the successful of bidder.
10	General	Newly added criteria under Part – IV, Clause – 69, Software Licenses, Page - 65	6d. In case Bank would like to add other entity in India & International Territories in future under single instance multi entity set up within the projected volume of transactions, asset sizes and users as mentioned in the RFP then the same has to be provided by the bidder of the proposed comprehensive & integrated AML & TBML solution without any extra cost except implementation effort.
11	General	Newly added criteria under Part – IV, Clause – 69, Software Licenses, Page - 65	6e. No component of the proposed solution under the scope of RFP should be installed/ factored/ commissioned/ available outside of the Bank's Datacentre or Bank's premises.

12	Part – IV, Clause – 69, Software Licenses, Srl – 2, Page - 65	The bidder should provide enterprise wide, perpetual / subscription-based licenses for the proposed application.	The bidder should provide enterprise wide, perpetual based licenses for the proposed application.
13	Part-IV, Page- 142	Tape Library: : LTO7/LTO 8 drives for DC (50 nos.) and DR (20 nos.) to cater the Backup requirement. These drives will be in a separate virtual partition on the existing library.	Tape Library: LTO8 drives for DC (50 nos.) and DR (20 nos.) to cater the Backup requirement. These drives will be in a separate virtual partition on the existing library.
14	Part-IV, Scope Of Work, (A) Broad Scope of Work as per Standard Requirement, Srl-1, Page - 43	1. The Bidder is required to supply required Hardware and Software (OS/Application) with required licenses, install & deploy the solution at the Bank's Data center at Bangalore and Disaster Recovery (DR) at Kolkata, to integrate the proposed comprehensive AML & TBML solution with CBS (Finacle 10.2.09) and other ancillary banking applications as per Bank's requirement and in case Bank plan to upgrade CBS version in future the Bidder should provide redeployment of the proposed comprehensive & integrated Anti-Money Laundering (AML) & Trade based Money Laundering (TBML) solution during contract period, without any extra cost to the Bank.	1. The Bidder is required to supply all kinds of required Hardware and Software (OS/Application) with required licenses, install & deploy the solution at the Bank's Data center at Bangalore and Disaster Recovery (DR) at Kolkata, to integrate the proposed comprehensive AML & TBML solution with CBS (Finacle 10.2.09) and other ancillary banking applications as per Bank's requirement. Bank has a plan to upgrade the existing version of CBS in future with the latest one. In such case the Bidder should integrate, interface and redeploy the proposed comprehensive & integrated Anti-Money Laundering (AML) & Trade based Money Laundering (TBML) solution during the contract period, without any extra cost to the Bank.
15	Part-IV, Scope Of Work, (A) Broad Scope of Work as per Standard Requirement, Srl-7, Page – 43	<ul style="list-style-type: none"> • Production at DC in HA (High Availability Active – Active) • DR - Should be deployed at same capacity and architecture of DC 	<ul style="list-style-type: none"> • Production at DC should be deployed under highly available manner such that the failure of a single server/node will not interrupt the running application • DR site will also be deployed with same architecture and same capacity as of production DC site

	AND Annexure-XXIX, Page-294		
16	Part-IV, Scope Of Work, (A) Broad Scope of Work as per Standard Requirement, Srl-10, Page – 48	The hardware sizing provided should be able to cater the load of next 5 years and the average CPU, Memory utilization should not exceed 70% and storage space utilization should not exceed 80%.	The hardware sizing provided should be done based on the projection of next five years in all aspects namely number of users, number of customers, number of accounts, volume of transactions, asset sizes, number of interfaces with different back-offices and should also be able to cater the load of next 5 years and the average CPU, Memory utilization should not exceed 70% and storage space utilization should not exceed 80%.
17	Part-IV, Scope Of Work, (A) Broad Scope of Work as per Standard Requirement, Srl-40, Page – 49	The Solution (both hardware & software) must be capable enough to handle a minimum of up to four hundred transactions per day within a span of 6-7 hours, which is scalable up to one thousand transactions per day and should be scalable so as to handle transactions and generate alert as per the regulatory (RBI, HKMA, MAS etc.) guidelines during the contract period of 5 years. The hardware sizing must be done accordingly by the bidder. In case the performance is adversely affected or the utilization of any server or any peripheral, exceeds the threshold limit as specified by the Bank, more than 3 times in a quarter, the selected bidder is required to upgrade the hardware/solution, within one month without any extra cost to the Bank. The hardware should be sized considering a year on year growth of 20%.	The Solution (both hardware & software) must be capable enough to handle a minimum of up to five hundred transactions per day within a span of 6-7 hours as per present situation having a projection of up to five thousand transactions per day within a span of next five years for both overseas centres and should be scalable enough to handle all transactions and generate alert as per the regulatory (RBI, HKMA, MAS etc.) guidelines during the contract period of 5 years. The hardware sizing must be done accordingly by the bidder. In case the performance is adversely affected or the utilization of any server or any peripheral, exceeds the threshold limit as specified by the Bank, more than 3 times in a quarter, the selected bidder is required to upgrade the hardware/solution, within one month without any extra cost to the Bank. The hardware sizing should also be taken care after considering the 5 years projection of all parameters (as mentioned under srl-10 of Page-48) with a year-on-year growth of 20% as mentioned in the below table except number of branches, ATMs & concurrent users. It is kindly to be noted that the projection on volume of transaction of five thousand has been considered after considering the introduction of mobile banking & internet banking facility for both overseas centres within the contract period of 5 years.

18	General	Inclusion of Srl no – 40a under Part-IV, Scope Of Work, (A) Broad Scope of Work as per Standard Requirement, Page- 49	40a.
